

Local Delivery.

Limited local delivery is offered at ASAP's locations. At the time you place an order, if local delivery is available, you will be able to choose it from within the shipping options you are offered. Not all addresses within a delivery zone will be eligible for local delivery, and we reserve the right to refuse to provide local delivery services to anyone.

Although our delivery trucks operate Monday through Friday, depending on the zip code where you are located, delivery may only be scheduled and available on certain days of the week, e.g., Monday, Wednesday and Friday.

If you are eligible for free local delivery and choose the local delivery option, then the estimated delivery date will be the next scheduled delivery day within your delivery zone.

We cannot guaranty delivery on any particular day. Even if the delivery date for your zip code or area indicates delivery on a specific day, circumstance may delay actual delivery until the next day or later. Also, because delivery schedules will vary, we cannot guaranty delivery at any given time during the day. A delivery may be made at any time between 8:00am and 5:00pm.

Safety and scheduling issues mean that we restrict the local delivery service to the ground floor/ lobby of multiple story buildings. In addition, delivery will not be attempted if our drivers are not able to safely park their vehicles. In the event that ASAP is not able to deliver your order, we will make a second attempt on the next scheduled delivery day for the delivery zone. After two failed delivery attempts, the job will be changed to pick-up.

ASAP is not responsible for any problems that are the result of delayed delivery or delivery failure (e.g. loss of business or customer). If you need to have your order by a specific time, we strongly recommend that you plan accordingly: choose the appropriate turnaround time and either elect to pick up the order or select the appropriate overnight delivery option that can meet your schedule. **PLEASE NOTE: local delivery is not available for drop shipping to your customer; we only deliver to your location.**

We reserve the right to withdraw, or change the terms of pick-up and/or local delivery (including changing the eligible delivery zones) at any location without prior notice.
